Georgetown Peabody Library

"The team at Stirling Technologies were wonderful to work with. We were so impressed by how responsive they were to any requests or concerns we had while they were designing our new library website. We are constantly receiving compliments on our website! I would highly recommend them."

-Sarah Cognata, *Director*

Home Page

IMAGE SLIDER
An animated section with a slider of images that circulates the latest news and happenings of the library.

TODAY @ GPL
A dynamic today section the updates daily to reflect the current day's date and hours of operations.

EVENTS
Upcoming events widget that pulls in the latest events in the order of what's next.

QUICKLINKS
A friendly and easy to use icon link list to help patrons click for popular "I want to..." actions!
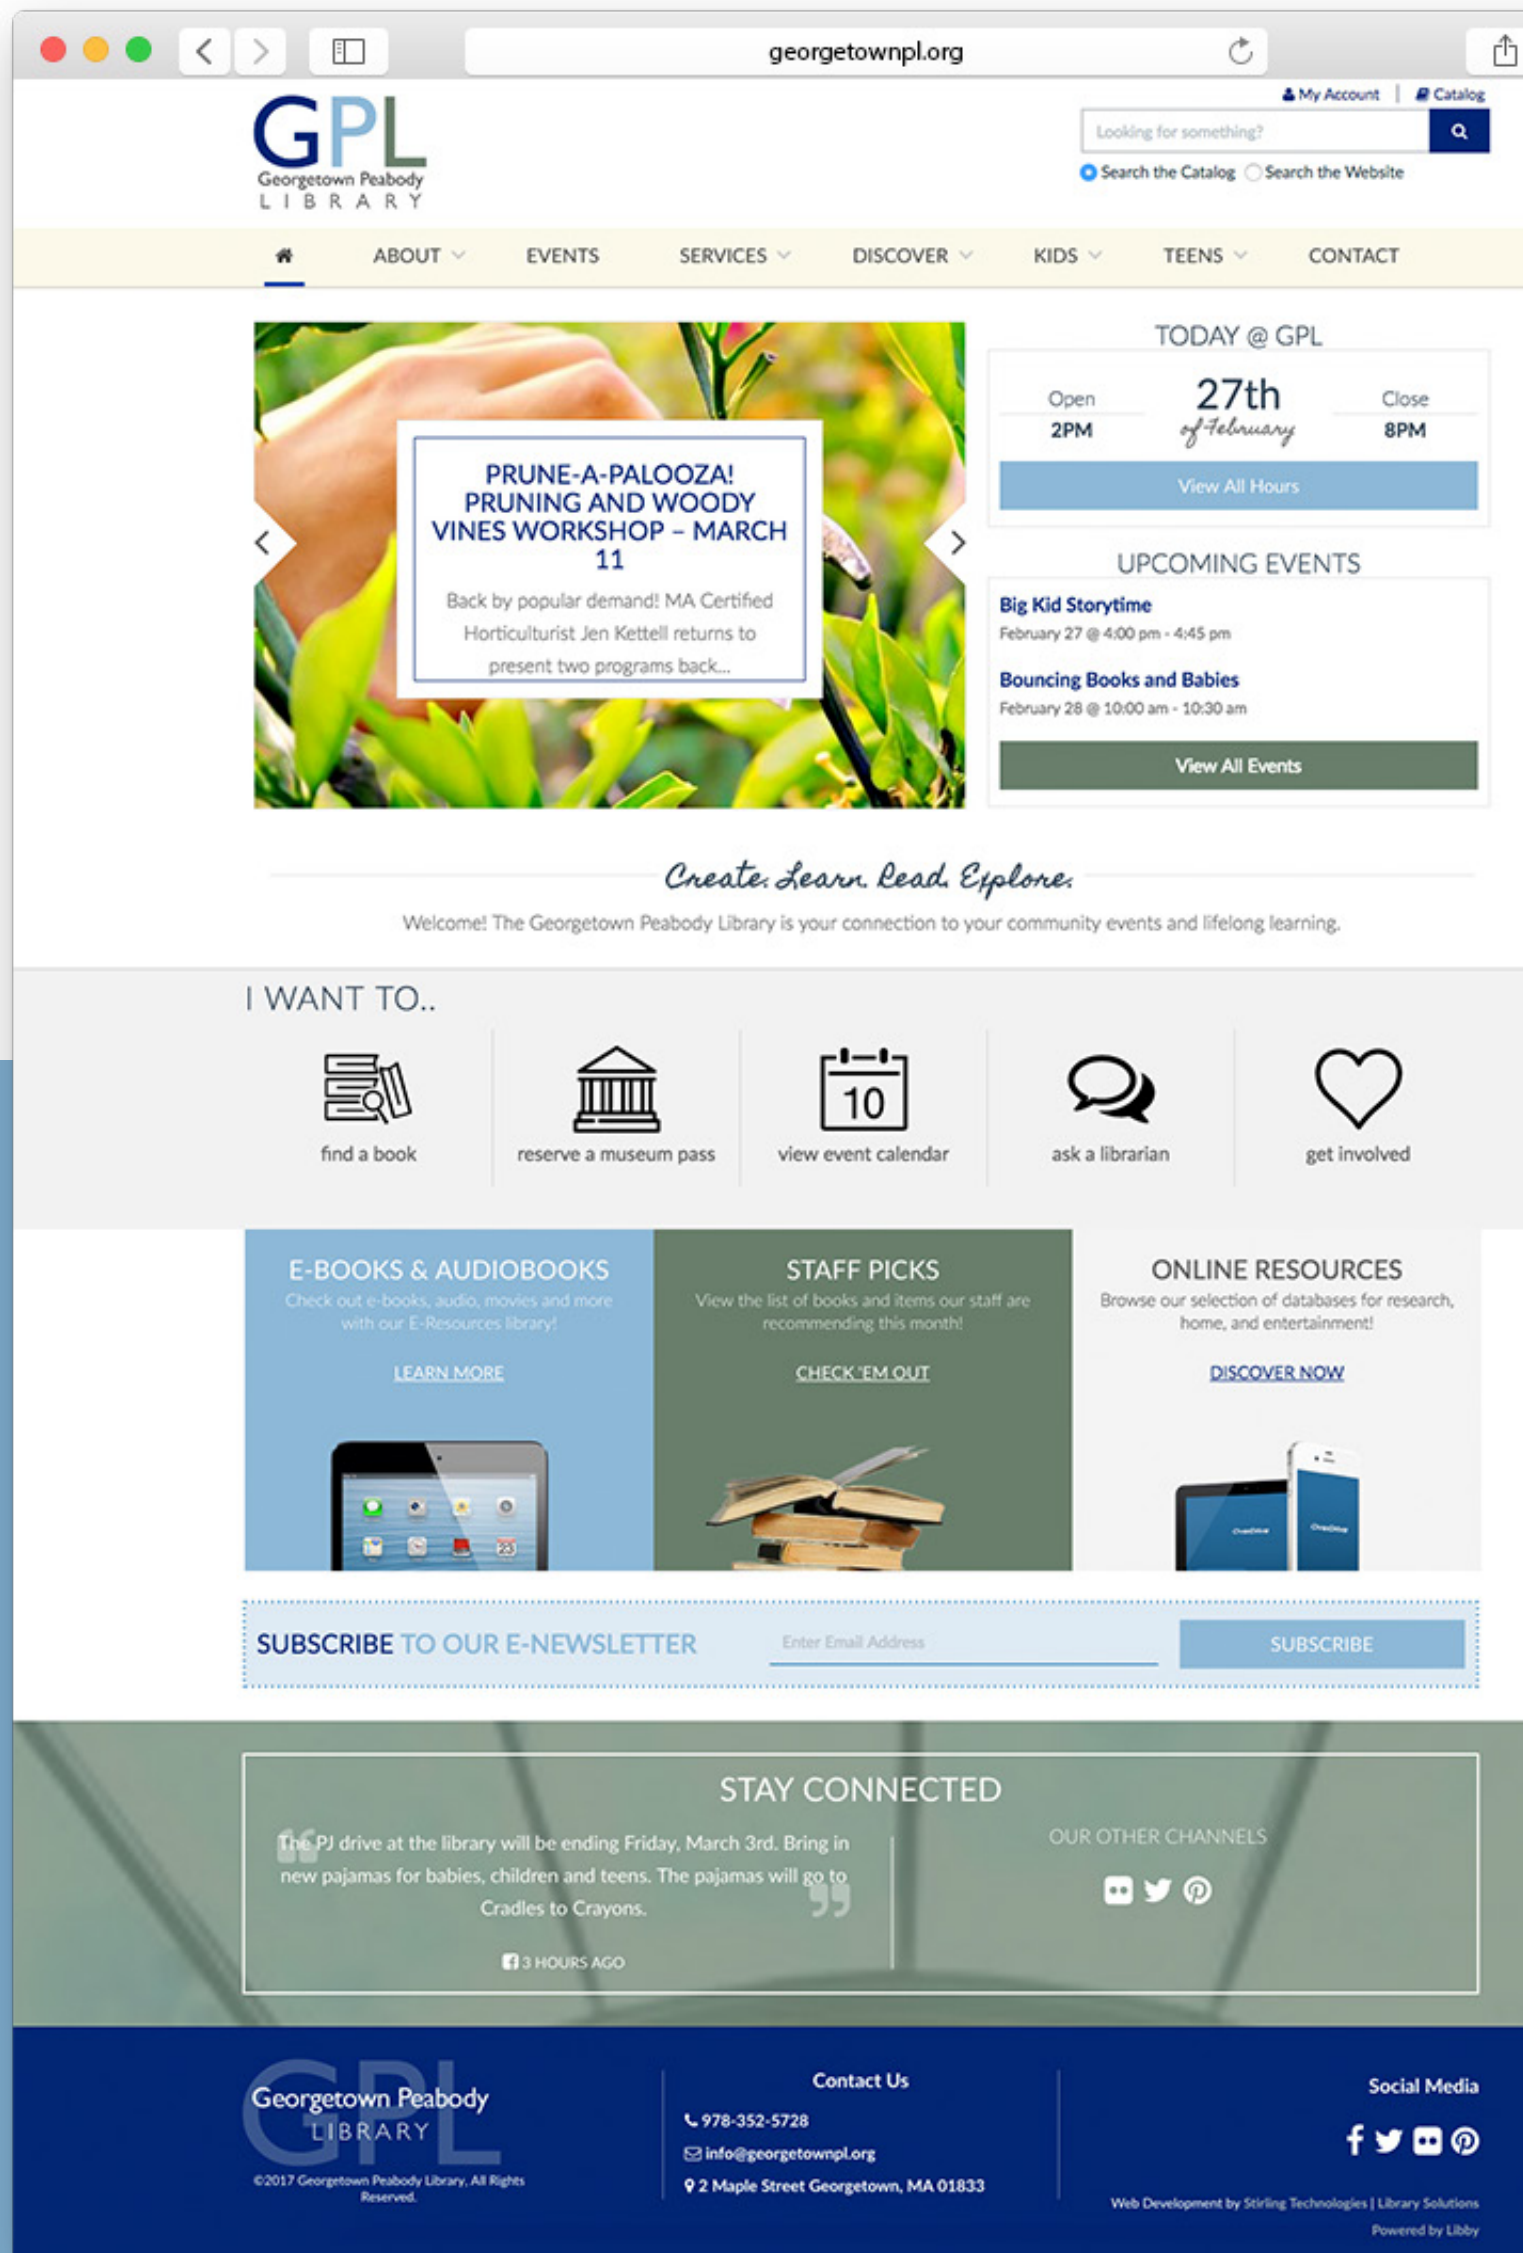

FEATURED RESOURCES
An image-driven section for highlighted resources.

E-NEWSLETTER
A brief subscription form to sign up for the e-newsletter.

SOCIAL MEDIA
A social media section with a live facebook message feed and links to other social media network accounts

WHAT WE OFFER FOR TEENS

programs   resources   summer reading   online research resources   digital downloads

TEENS

The Young Adult Department is here for teens in grades 6-12. The teen collection is filled with books to suit many reading tastes: contemporary realistic fiction, fantasy and science fiction, historical fiction, classics, manga, and graphic novel. In addition to our YA collection, we offer a variety of events for teens.

The YA Collection is constantly growing! If you would like to recommend a title to the Library or if you have any questions about the programs we offer or need book suggestions, send an e-mail to Emily at ehavey@georgetownpl.org or find her in the Library!

RECCOMENDED READING

Passenger   Matched   Dumplin'   The Anatomical Shape of a Heart

Responsive

A design to fit all devices!

RESPONSIVE DESIGN

The library's website is completely responsive and will update to any mobile device. The design rescales to fit many screen sizes such as desktop, tablets, phones.

STACKED LAYOUT

With this mobile-first responsive design elements stack to allow the content to resize for better readability and usability performance on a smaller device.
