HEADER

1 Today's Hours

Live hours display here and let a patron know today's hours and if the library is currently open, closing soon or closed

2 Branch Information

Easy access to our branch location which clicks through to directions and a click to call link

3 Smart Search

Using this search patrons can search results through our catalog or our website

4 Catalog/Account

Colorful and easy to access buttons that allow patrons to visit the catalog or their accounts with one click

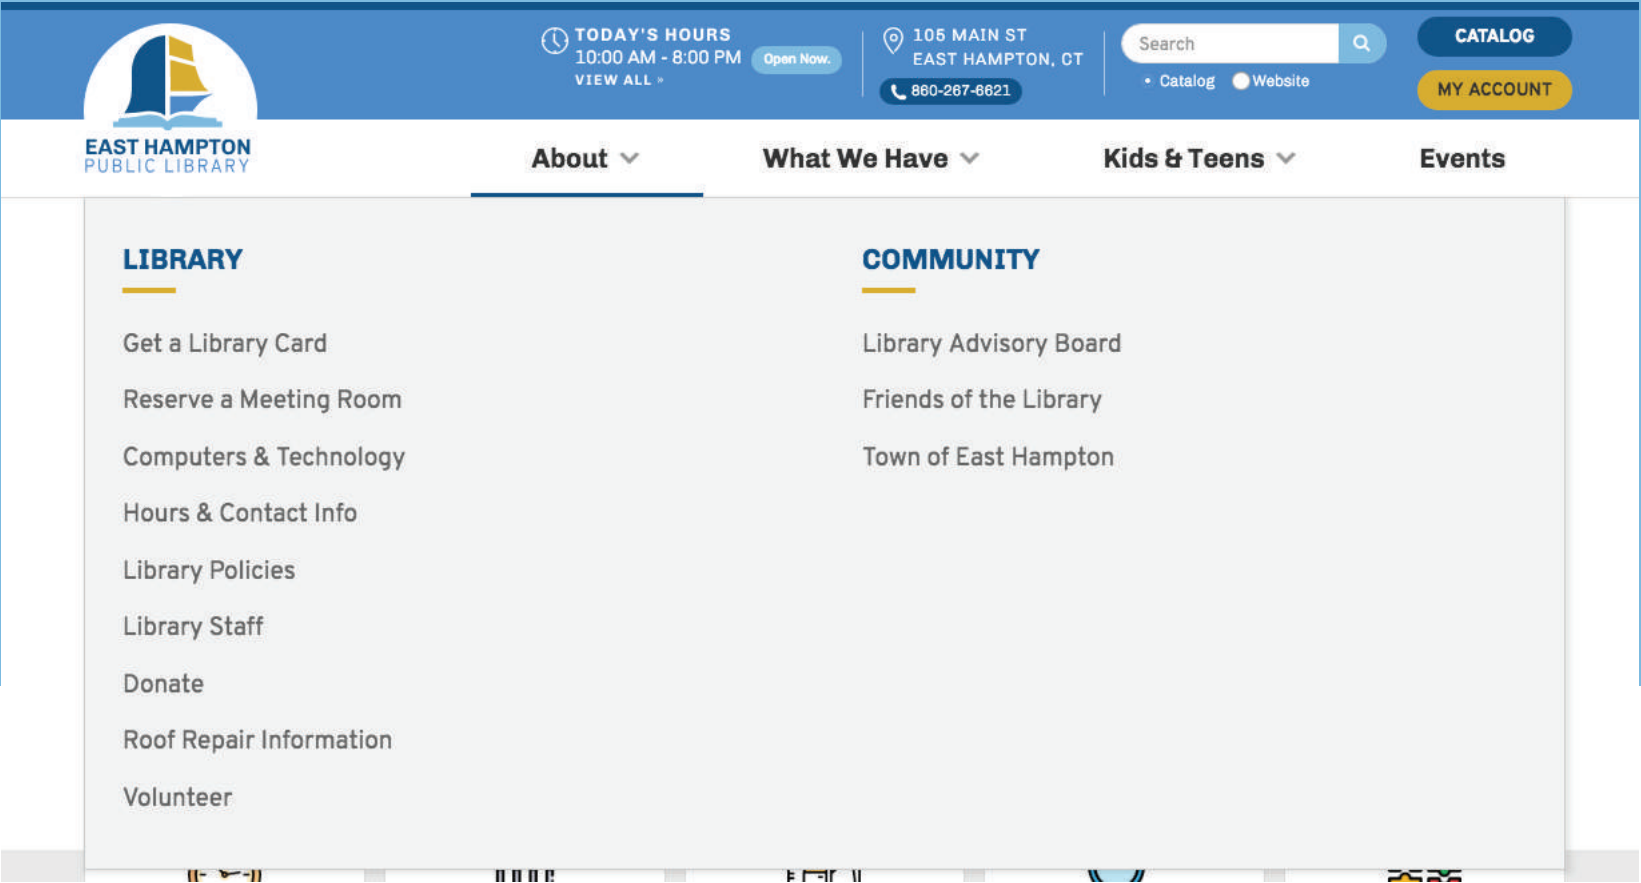

MEGA MENUS

Friendly Usability

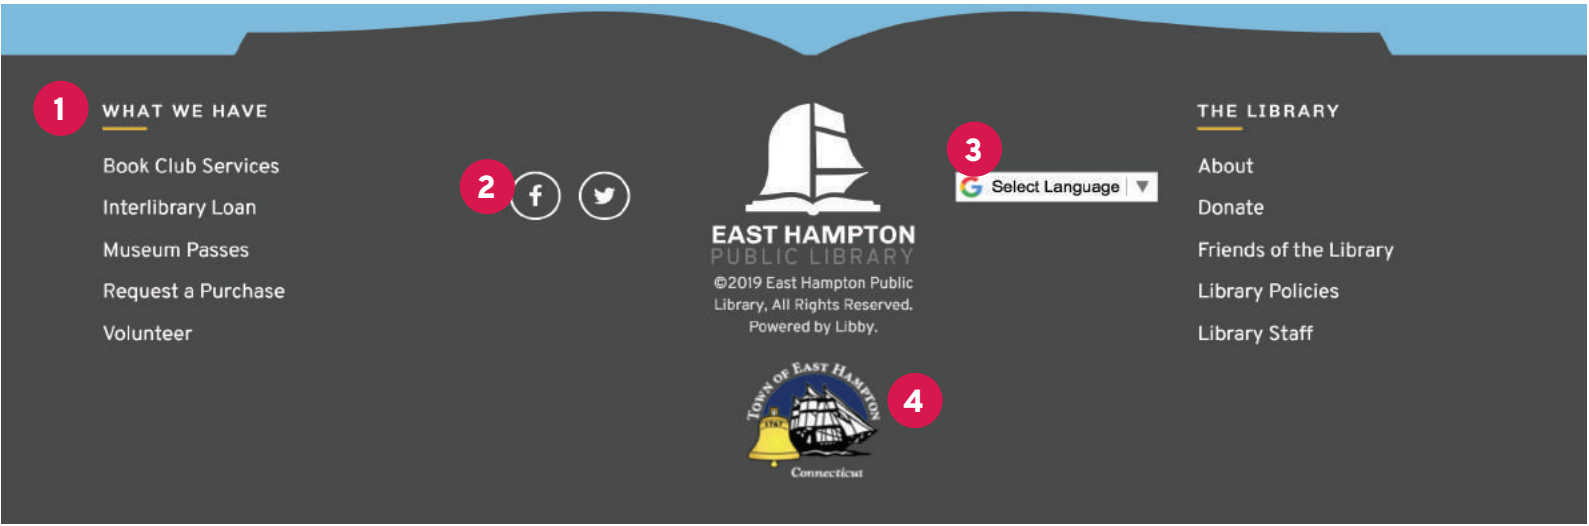

Our mega menus can be toggled open and closed with just a click - this allows patrons to access our menus on all devices especially touch devices as well as avoid the frustrating “hover and pan” experience.

Organized Hierarchy & Navigation

Using sub menus under parent menu terms we've broken down our site navigation into easy to digest lists to make it easy for patrons to browse our pages without overwhelming them with an unorganized and long list of menu options.

FOOTER

1 Navigation

Footer navigation menus allow users who've scrolled to the bottom to click through to a curated list of pages

2 Social Media Links

Iconic menu options that patrons can click through to visit our social media accounts

3 Translate Options

This Google translate dropdown allows a patron to select their preferred language

4 Town Seal

As homage to our town we've included the East Hampton's seal beneath our own logo

RESOURCES

Resources page

Patrons can use our resources page to browse e-resources and databases by subject OR alphabetically.

Anchor lists at the top of each page allow users to jump to the letter or subject of their choice to navigate to the resources they are interested in faster.

RESPONSIVE DESIGN

Responsive Design

Our website is optimized for small and large screens, using responsive design and advanced media queries the website adapts to the size of the device being used to visit.

For mobile phones and smaller screen devices the elements stack into full width columns to adjust to the available screen width and keep readability, legibility, and usability consistent.
